#### Dear Class of 1980:

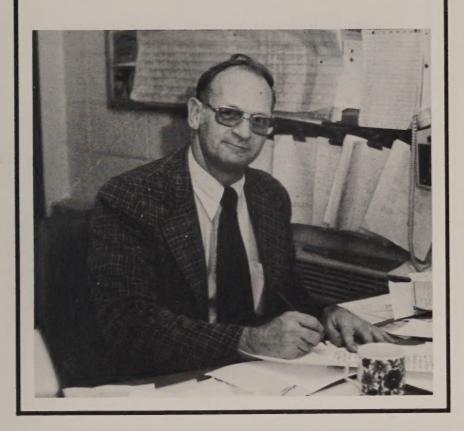

Your yearbook contains a pictorial account of your final year at Dighton-Rehoboth and the many activities which characterized that very special time of being a senior. I am confident it will help you recall many fond memories of your four years in high school and your senior year in particular.

As every other class has contributed to the tradition which is Dighton-Rehoboth, so, too, has the Class of 1980 left its imprint upon the legend to be recounted for years to come as former Dighton-Rehoboth students and competitors alike recall exciting moments in Dighton-Rehoboth's history.

For many, graduation from high school concludes a twelve year association. We are proud to be a part of your past and contributors to your future.

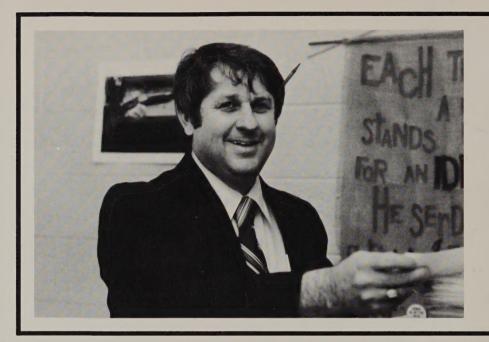

Good luck and best wishes.

Very truly yours, Joseph C. Harrington, Ed. D. Superintendent of Schools

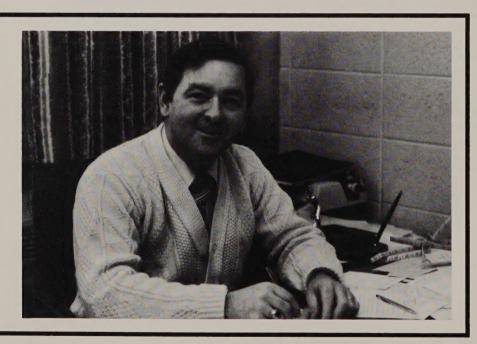

Congratulations! You have achieved one major step in the long march towards an education. You are now prepared to go out into the world where your real education will begin. No, you're not at the end. You are about to learn how little it is that you really do know. Your education will continue for a lifetime. Keep an open mind and aim for the stars. Best wishes to each and everyone.

Marshall Sawyer

Congratulations and best wishes to the class of 1980. As the new decade begins, you begin a new part of your life. Have the courage to live life fully. Realize your gifts and talents and use them wisely.

Success to all, Francis M. Marcille

I am grateful to the Class of 1980 for the opportunity to pen this message to you for inclusion in your yearbook. Your education did not end with graduation but just begun. Hopefully, that part of your education that you received here at Dighton-Rehoboth will serve you well in meeting the challenges you will face in life. In whatever endeavors you embark upon may you enjoy nothing but success.

#### **SENIORS**

The 1980 yearbook commemorates not only our graduation, but the twentieth anniversary of the D-R tradition as well. Charles Dickens' words, "It was the best of times, it was the worst of times," aptly characterize the tenor of these past two decades — the years that make up the history of the educational and social association of Dighton and Rehoboth. Indeed, on a worldwide scale, this has been a time of conflicting events: the glories of the Space Program, the embarrassment of the Watergate Scandal, the struggles of the constantly evolving civil rights movement, the bitterness of the Vietnam War. And as the world changed, so did D-R. In the fall of 1960, the Dighton-Rehoboth Regional High School held its first classes. At that time, the building comfortably accommodated its 547 students. Since then, enrollment has increased to 1047, and the school has grown and expanded accordingly. These additions include the portable classrooms, as well as the playschool and the Superintendent's offices. In these decades, D-R has developed, as all other institutions, and become an important part of the Dighton-Rehoboth community. We, the class of 1980, are proud not just in being D-R's anniversary graduating class, but more importantly, in sharing a part of the tradition that is D-R.

.S.S.D.... Prom... graduation — last goodbyes, new beginnings......

The class of 1980 expresses their deepest sorrow in the passing of our former classmates, Steven Curry and Susan Fortes. Though taken away from us, they will continue to live in the memories of their friends and loved ones.

### You Know You're a Senior When

- ... you feel at home in B corridor
- ... you wish you had graduated early
- ... you no longer care about finals
- . you're filling out college applications the day before the deadline
- ... you've lost all hope in school lunches
- ... you know you're going to win spirit week ... you choose 2nd beach over 2nd period ...
- and 3rd period ... and 4th
- ... you realize Lupo's has no class
- ... you appreciate the guidance center
- ... you find out that the long awaited privileges either don't exist or weren't worth the waiting
- ... you're conscious of the draft and ..
- . you're checking out Canadian travel brochures
- . you work like never before on corridor decorations
- ... you give up selling candy and start giving it away
- . you can laugh at underclassmen who have the audacity to show up at a Senior party
- you consider all underclassmen "immature"
- you change your radio station from JB105 to WCOZ
- . your final final was final at 11:07 on Jan.
- . you feel taller than all underclassmen even if you're shorter
- ... the study hall proctors give up trying to
- . you feel self-dependent even before SSD begins
- . your classmates don't giggle at the word

- ...you've forgotten your very first date. ...you're asked to join the bloodline ...you can truthfully say, with the voice of experience, "I've been there."

### **ENGLISH**

The English Curriculum has now come full swing. The declining interest in such extravagant courses as "A Mixed Bowl of Fruit," and "The Bitter Years" has resulted in a "Back to Basics" movement. The department, however, is still noted for its wide variety of courses. "Myths" and "The Supernatural" along with Mr. Cuthbertson's new "Sports Lit" are especially popular with Seniors, who, by this time, have developed acute "Senioritis" and happily leave "English Lit" and "Ready for College?" behind.

# **SOCIAL STUDIES**

For the past four years, the Social Studies department has peacefully resided deep within the recesses of the Fall River Suite, that windowless cave on Freshman corridor. When they do emerge from this sanctuary, those teachers are notable for their love of fun and games — who will ever forget Mr. Grower's Boston Massacre and Mr. Holmes' Railroad and Stock Market Games??

### **SCIENCE**

The Science Department seems to be the most established and unchanging department of all. The courses offered are well-designed, thorough, challenging, and interesting. They range from physiology to nuclear energy, from astronomy to Genetics. The members of the faculty may easily be spotted in Senior corridor only, for they never venture outside of B-wing. Perhaps this is because the rooms here are the most exciting, filled with many of their favorite things - fish tanks, fetal pigs, microscopes, plants and skeletons.

### **MATH**

In the past few years, the Math Department has become increasingly popular because of the expansion of the computer facilities. "Computer has especially appealed to those sensiors seeking a fun and different math ematics course, who later tear their hair out in confused frustration. Las year, the department lost Mr. Gendreau and Mrs. Flaherty, and this year welcomed Mrs. Diotte and Mr. Arm strong.

### FOREIGN LANGUAGE

The foreign language department has undergone many changes over the past year. In September, Miss Gabel in Portuguese, and Mrs. Mahoney in French, joined the ranks of Mrs. Weydemeyer, Mr. Long, Mrs. Marcoux, and Mrs. Benigni. All these teachers should be proud of such accomplishments as the renewed student interest in the Latin Program — as evidenced by the two sizeable Latin I classes.

### **BUSINESS**

One accomplishment which the business department should be proud of and thankful for is the acquisition of a real Business Office. Yes, after all these years the teachers actually have a home of their own. Also new within the department is the complicated word processor, which teachers are studying now in order to begin classes in the fall. Student interest in the business curriculum increased this year with the adoption of "Basic Living Skills" and will most likely continue to increase as the department expands.

### **GUIDANCE**

Though it took four years, many seniors have finally made use of the "Guidance Suite." In addition to the many helpful and informative catalogues, the suite features the astonishing and entertaining MOIS computer, which has provided information on every imaginable college-related subject. If only it could give the formula for guaranteed success.

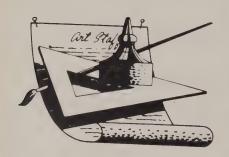

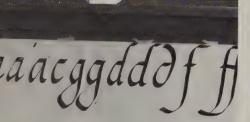

## SPECIAL SERVICES

The general goal of the Special Services is to provide a program for students with exceptional educational needs. The Special Services faculty works with many of our students, providing necessary tutorial support in such areas as reading comprehension, reading speed, and various study skills. Those students involved with Special Services seem pleased with the assistance they are receiving and well prepared to become happy, contributing members of our school family.

### ART

MUSIC

### HOME ECONOMICS AND CHILD CARE

This year, the Home Economics teachers have seen an icnrease in student enrollment in the many branches of Home Ec. The department has, this year, welcomed Miss Whitehead, a teacher of Special Services and aided in the establishment of the Home Ec Club. D-R's playschool continues to be one of the most exciting and interesting parts of the school.

### **LIBRARY**

Despite the retirement of Mrs. Dunn, the library has continued to function effectively. Mrs. Archard, head librarian, continues to be an inexhaustible source of knowledge and assistance. By right her name should appear in the "Sources Consulted" section of every research paper written at D-R. Miss Kinder, her "right hand lady" is also extremely helpful, even when we try her patience.

# PHYSICAL EDUCATION

The 79-80 school year marked the first time that the phys-ed department conducted classes on a totally co-educational basis. The program had mixed receptions. There were no complaints regarding co-ed square dancing or gymnastics, but locker room talk spoke unfavorably of such co-ed games as speedball. D-R welcomed Miss White to the staff, replacing Miss Unsworth. Miss White, Mrs. Griffo, Mr. Ruggeiro and Mr. Fiore have done a good job of making totally co-ed gym a workable, even enjoyable, reality.

### SECRETARIES AND TEACHER AIDS

The typical secretary's day is filled with various secretarial duties, however, the secretaries here at D-R are faced with additional demands. Thanks are extended to them from many clubs, class officers, the yearbook staff, and the class of 1980 for their willing assistance.

The study hall proctors also are faced with many demands, especially those placed on their patience. Once in a great while their voices pierce the sound barrier, but usually they manage to retain their composures. Everyone would surely agree that study hall just wouldn't be the same without them.

### **VOCATIONAL** AND **INDUSTRIAL ARTS**

### **DISTRIBUTIVE EDUCATION**

The new Distributive Education course that was established at D-R this past year has been a great learning experience for the juniors and seniors involved. With the help of the D.E. coordinator, Mr. Don Murray, the students have learned the responsibility of retail merchandising, from selling to advertising. Students are sure to benefit from the academic aspect as well as the thrill and excitement of D.E.C.A. conferences held around the

During the first semester, Mr. Murray worked hard to establish the D.E. curriculum, both implementing the school store, Crossroads, and obtaining job positions for the seniors in the program. The store's success and the positive attitude of D.E. students have resulted from Mr. Murray's efforts and enthusiasm for the program. Hopefully the program will

attract more student interest in coming years.

### VOCATIONAL SCHOOL

- ... being the backbone of the athletic department
- ... going to your first prom.
- ... getting kicked out of your own assembly
- ... not getting credit for your accomplishments
- ... always being considered second best
- ... getting stuck with PSAT's and college boards
- ... wishing seniors were gone
- ... knowing there's only one year left
- ... thinking about college

# What Is a Freshman?

A freshman is one who ...

- ... is too short for the bubblers
- ... never ventures down B corridor before 7:55 a.m.
- ... panics upon entering the lunchroom.
- ... has to ask directions at all times.
- ... hasn't even started thinking about graduation.

CLUBS

#### NATIONAL HONOR SOCIETY

On December 8, 1979, the National Honor Society inducted 5 seniors and 17 juniors into its membership. The members continued their service contribution to the school by tutoring other students, acting as guides on Parents' Night, and running the concession stand during basketball games to raise money for the annual induction ceremony. Also, for the first time, the NHS began what they hope will become a tradition — the sending of flowers on Valentine's Day.

front row: L. Latham, K. Jones, R. Conley, L. Dutra, W. Ashcroft, C. Pomfret, E. Ennes, K. Annunziato, M. Mondor, S. Eaton, L. LaFrance. back row: J. Souza, S. Goudreau, J. McGuiness, M. Weeks, C. Martin, T. Monteiro, L. Pereira, J. Hogan, K. Paradis, K. Reed, L. Marcoux, K. Jackson, D. Gallant.

#### STUDENT GOVERNMENT

The 1980 school year was a busy one for the Student Government. With the completion of the annual Thanksgiving Basket Drive, the cosponsored Red Cross Bloodmobile, a student exchange, a visit to the Boston State House, the Ham and Bean Supper, and very importantly the reinstatement of the smoking area on a temporary basis, it was certainly an exciting, full year.

first row: J. Thiel, C. Corey, T. Monteiro, L. Marcoux, P. Costa, C. Martin. second row: D. Mellen, C. Medeiros, M. Hunt, S. Stevens, L. Viera, P. Monteiro, D. Douglass, B. Alper, C. Corrao, K. Noelte, D. Schreiner. third row: T. Conaty, L. Schreiner, J. Virdinlia, C. Withers, J. Hogan, L. Lach, S. McConville, C. Perra, G. Harrison, K. O'Connor, P. Turgeon. missing: K. Lovenbury.

#### **CYCLOPS**

The Cyclops was very active this year and regularly emerged from its cave (C-198) to entertain D-R's readers. In fact, the staff produced six exciting issues as well as contributing to the Spirit Week competition with the program contest. However, the Cyclops staff didn't spend all its time working at the printing presses ... we had time out for the Cyclops hayride and Pepsi Challenge, too.

first row: D. Benjamin, M. Otterson, K. Reed, L. Marcoux, B. Alper, J. Hogan. second row: Mr. Holmes (advisor), M. Abrahamson, T. Monteiro, K. Williams, S. McConville, C. Perra, P. Monteiro, P. Anghinetti. third row: D. Douglass, B. Ferry, B. Henrique, J. Brown, T. Conaty, M. Francis.

### **HOME ECONOMICS**

Sew what?? This year, the Home Economics Club joined the ranks of D-R's established clubs. At first only an idea of some enthusiastic seniors, the club has become a productive group. Under the watchful eye of Mrs. Stone, club members have sewn the falcons on the yellow hockey jerseys, made typewriter covers for the superintendent's office, and held a successful career night. They also planned a fashion show and a quilt raffle.

seated: J. Brown, K. Lavallee, L. Machado, K. Williams, P. Conlow, R. Conley. standing: Mrs. Stone, S. Pearson, P. Fraga, B. Ferry, K. Allie, J. Nunes, K. Bennett, Miss Whitehead.

#### **LATIN**

The 1979-80 Latin Club, led by officers Jeanne Brown (pres.), Louise Marcoux (vice-pres.), Cheryl Martin (sec.), and Lisa Machado (treas.), had a very successful year. The club attracted new members with such events as "The Chocolate Game" and the "Zona Hunt" as well as the annual Ides of March Bash, complete with black carnations to mourn the death of Caesar. A new addition was the Rites of Spring Dinner (orgy?) which included toga-clad guests and traditional Roman cuisine.

seated: L. Marcoux, L. Viera, J. Brown, P. Bergeron, G. Perry. standing: J. Johnson, K. Williams, C. Martin, T. Monteiro, K. Jones, Mrs. Benigni.

#### **FRENCH**

This year, the French Club, under the organization of Mrs. Mahoney and Mrs. Marcoux, concentrated on different aspects of French culture — the "cuisine" in particular. One meeting was highlighted by a taffy pull ("la tire") and another featured crepe making. Needless to say, meetings were enjoyable — and delicious.

seated: C. Medeiros, L. Viera, S. Stevens, L. George. standing: Mrs. Mahoney, D. Douglass, K. Medeiros, L. Marcoux, D. Letendre, L. Schreiner, Mrs. Marcoux.

#### **PORTUGUESE**

The Portuguese Club, with the help of its new advisor, Miss Gabel, enjoyed one of its most successful years ever. Included in this hectic year's events were numerous fundraisers ranging from cake sales in the fall to M&M sales in the spring. The highlight of the year was the annual trip to a Portuguese restaurant where traditional foods and music were enjoyed. Another special activity was the successful fundraising drive for the earthquakestricken Azores. On the planning board for next year are activities leading up to a proposed trip to Portugal.

seated: Miss Gabel, T. Conaty, R. Mellen, D. Brazil, D. Mesrobian. standing: S. Morgan, P. Fraga, L. Jack, L. Rose, D. Violette, T. Monterro.

#### ART

As part of its activities, the Art Club attended "The Nutcracker" ballet and visited the Scholastic Art award exhibit (held in Bridgewater) and Boston's Museum of Fine Arts. Meetings included various activities such as exercises in creative movement and expression. All the club's undertakings helped members grow in their understanding of fine art through experiencing it.

seated: B. Rainey, K. Lovenbury, K. Jones, S. Martin. standing: Mrs. Watson, Mr. Davis, D. Potter, C. Doyan.

## **CHORUS COUNCIL**

The Chorus Council was comprised of two chorus representatives from each class. Members met regularly to discuss plans for upcoming concerts as well as current issues within the chorus.

seated: B. Blanchette, D. Derlein, C. Fornara, D. St. Louis.

## **BAND COUNCIL**

The Band Council consisted of two representative members of each class. Like the Chorus Council, this organization met to make plans for future musical events and to discuss issues concerning the band.

seated: Mr. Otto, J. Shaw, B. Gracia. standing: K. Sprat, K. Strange, S. Salgerio.

### S.E.M.S.B.A.

"Hurry back Joe! We miss you!"

One of the things that musicians detest more than anything else is auditions. This year, fourteen souls survived the SEMSBA auditions and became members of the SEMSBA chorus or band. The chorus and band spent a weekend preparing their music and then gave a concert. It was a tough weekend, but it was enjoyed by all.

The following students are commended for their talent and success: Dawn Potter, oboe; Stacy Snape, clarinet; Kenneth Rose, trombone; and for chorus: Syl Amaral, Lori Descoteaux, Charles Fornara, John Goulart, Melissa Grant, Cynthia Nicholson, Robert Nicholson, Kelly O'Connor, Tracy Smow, Denise St. Louis, and Patricia Turgeon.

### **DECA**

The new D.E. course that has recently been established at D.R. has been a great learning experience for the Juniors and Seniors involved. With help of the coordinator Don Murray, the students have learned the responsibility of Retail Merchandising. Students are sure to benefit from the academic aspect, as well as the thrill and excitement of D.E.C.A. conferences held around the country.

K. Lavallee, L. Powers, J. Horton, S. Ricci, C. Virdinlia, Mr. Murray, P. Conlow, K. O'Brian, E. Robbins, J. Tetreault, J. Dennis, L. Shaw, D. Smith.

## **CROSS COUNTRY**

While D-R's Cross Country teams have always done well, never have they acquired a record as good as that of this year's squad.

Placed in the S.M.C. Division III, the young but experienced Falcons acquired a perfect 7-0 record and 9-2 overall. The entire Varsity team, including Junior co-captains Scott Eaton and Jim Creel, Jr. Tom White, and Sophomores Garrett Sharpe and Greg Harrison, earned post-season honors in being selected to the conference All-Star Team. Highlights of the season included upset victories over Bishop Feehan (defending champions) and Wareham, which featured Tom White's shattering of the course record. With practically all of his hard-working team returning next year, Coach Marsden should have another contender in years to come.

## FIELD HOCKEY

D-R's girls Field Hockey team returned this year with many experienced varsity players. The four seniors on the team were Sharon Rivet, Norma Souza, and co-captains Susan Sherman and Eileen Rourke.

The team led an exciting season, finishing in second place, with a position in the first round tournaments against Bridgewater. After hard work and good sportmanship, D-R turned over a loss of 4-0 to E.B. They also competed in a tournament between states Mass. and R.I. D-R finished with a 3-1-0 record, contributing to the 41-20 final score, Mass. win. Their season's record was 7 wins. 3 losses. The girls should be proud of their achievements this year.

# VOLLEYBALL

Though this year's volleyball team cannot boast a winning season, they surely can be proud of their winning spirit. The girls worked extremely hard and had the skills for a super team. Coached by Mr. Finley, the girls held their own ground when challenged by opponents. The interesting matches were enjoyed by both players and spectators. Senior members Jennifer Simmons, Jeanne Virdinlia, Collette Pelletier, and Wendy Ashcroft will surely retire with many amusing memories of the 1979-80 season. With any luck, next year's experienced team will have a more successful season.

#### **FALCONEERS**

The Falconeers Marching Ensemble, (FME), is a rowdie bunch consisting of three groups, the Majorettes, the Pep Squad, and the band. They started off the season this year with last year's toughest show, and gradually built up the confidence and internal unity required for the exceptional half-time show at the Thanksgiving Game. Good luck to next year's FME!

#### **FOOTBALL**

The surprise of the school year in the D-R community. This young team went out and got what they wanted. They worked hard, but it all paid off in the end. Unlike its horrendous past, the football program at D-R took a drastic turn around. D-R fans saw these talented youths gain the best season ever recorded on the Robert T. Roy football Field.

Led by a small group of 5 seniors: K. DeBlois, E. Ennes, C. Day, tri-captains, M. Baasch, and S. O'Hannian, the team showed their stuff when the going got tough. This young crew yielded the least points per game than any

D-R team in its history.

The Delaware Wing-T, as it was referred to quite often, proved to be the bread and butter offense that D-R had always lacked. Led by the quarterbacking of Arnie Peck and the outstanding running ability of Stan Koss to break the long run, this offensive squad accumulated an

unimaginable tally of points.

All in all, the invincible men of the D-R Gridiron turned a lot of heads in our small but colorful community. They all had huge hearts to pump them through the rougher times. When the time came and the whistle blew, they always gave it their best shot. The time came to play. And indeed, they did play.

# SPIRIT WEEK

The Class of 1980 awed both the faculty and the student body this year as they emerged victorious from the Spirit Week Competition. To the surprise of everyone, class of 1980 included, the seniors captured many contests with ease, including "Pass the Orange" (4th year in a row) the frisbee throw, trike race, and boys' tug. With the help of several faithful seniors, the class also captured the corridor decorating contest, which involved long hours of tedious painting, lettering, and tracing. Though the highly spirited week preceding Thanksgiving did not conclude with a Thanksgiving Day win, everyone enjoyed getting psyched for the game, which was a closer match than we've seen in years. Hopefully, Spirit Week will remain a successful and enjoyable tradition here at D-R.

### HOCKEY

The 1979-80 hockey campaign began with skepticism. With uncertain ice time and the departure of several talented seniors, the Falcons encountered a challenging schedule. Anchored by Ed Roy in the goal, and Damien Spellman and Glenn Lang on the blue lines, the Falcons stressed tough defense. Joe Ryder and C. J. Crane kept opposing goalies busy, but attitude emerged as the basic ingredient. Names such as Abrams, Washburn, and Reall surfaced from nowhere to fill vital roles in the Falcons' success story. With 17 players on the roster, the D-R skaters scrapped their way to a second place finish and a berth in the state's Eastern Tournament. Coach Gaffney felt as though this group of skaters was perhaps the hardest

#### GIRLS

Although the Girls Basketball Team did not have a productive season, much hard work and effort was put into this year's program. Playing their last year for D-R were co-captains Sharon Rivet and Lori Dilorio, Lori Smith, Eileen Rourke, Norman Souza, and Collette Pelletier. With a strong nucleus of talented underclassmen, the D-R girls should have a successful campaign in the 80-81 season.

# CHEERLEAD-ERS

The 1979-80 basketball season has come to a close, bringing back memories of sore throats, tired muscles, and practices that never seemed to end. But, when we look back, the good memories outweigh the bad. More than ever before, the cheerleaders really seemed to pull together this year on everything from our wild bake sale, to buying our team jackets, to finding someone to talk when we needed a little help.

This was the third year together for the seniors; Sue Sherman, Sue Wade, Sandy Paiva, and Debbie Morrell, and we've really had a great time?? This year's team had one of the best records in the last few years and we want to thank the guys for giving us a lot to cheer about. (thanks again for the flowers, too!) And thanks to Diane Blackledge and Miss Gable for their help and enthusiasm.

Finally, all the best to Karen, Cathy, Robin, Cindy, Cindy, and Lori. Have a terrific year and KEEP ON SMILING!

#### BASKETBALL

The 1979-80 varsity basketball team experienced a season with many highs and lows. Peaking early, the team showed much improvement over last year's 2-18 record. The team notched exciting victories over champion Falmouth and second place Coyle-Cassidy, and with a division record of 7-5 earned a third place finish. Throughout the season the team had several close matches, and came 9 points short of a championship and a post-season berth. Hustle and teamwork proved to be the key to the team's success. Five men scored over one hundred points. Senior Chris Day, a hustling, play-making guard, earned post-season honors, being named to the S.M.C. Division III All-Star Team. Congratulations to Chris, and to Coach Glen Field and his team for a very exciting and respectful season.

The team finished with a 5-2 record, tied for second place in its division. Coached by Mr. Finley, the team had both talent and perseverance. This season in particular was highlighted by the shattering of many school records. Seniors participating for D-R were co-capts. Tom Aldous and Joe McGuiness, Brian Grant, Aaron Smith, and Dave Fagundes. The girls were led by Capt. Cheryl Martin, who broke virtually every winter track record previously established. Selected to this year's division All-Stars were Joe McGuiness and Mark Moschella. With this year's accomplishment, a solid foundation has been established for teams to come.

# WINTER CONCERT

In a mere three and one-half months, D-R's various performing musical groups were ready for their annual winter concert. It takes not only long grueling rehearsals, but also many hours of personal rehearsal time, to put on such a show. Some of the groups that appear regularly are chorus, Concert Band, Madrigal Singers, Barbershop, Quartets, and Jazz Choir. The selections contain traditional, classical, and popular pieces along with a foreign language or two mixed in. After the concert is over, it's time to start right in working on spring selections!

#### BASEBALL

The D-R baseball team again had a successful season, finishing the year with a 12-8 record. The Falcons started out fast, ended strong, but, unfortunately, a midseason slump ended hopes for a SEMC tourney berth. Senior co-capts. D. Fagundes and C. Day led the way, along with seniors J. Meagher, S. O'Hanian, J. Torres, and D. Berube. Each player contributed in his own way to the success of the team. Especially important was the hitting of O'Hanian, Berube, and Fagundes, as each batted far above the .300 mark.

#### SOFTBALL

The girls' varsity softball team, under the guidance of Coach Griffo, finished their season with an 8-8 league record and a 12-10 overall record. The team worked hard and had the drive to win. Playing their last year for D-R were cocaptains Sharon Rivet and Lori Dilorio, Norma Souza, Lisa Dutra, Lori Smith, and Doreen Atwood. Overall, it was a very good season.

# BOYS' TRACK

Captains Tom Aldous, Scott Eaton, and Joe McGuiness led the boys' spring track team to a 4-4 season against very stiff SEMC Division I competition. Despite the lack of facilities or assistant coaching, Coach Marsden managed once again to come up with a respectable and competitive team. The year's highlights were team victories over Seekonk and Somerset. Best individual performances were Stan Koss' All State victory in the long jump and Mark Moshella's Division Title and 4th place in the State Class Meet.

1. M. Radevicz. 2. M. Moschella

# GIRLS' TRACK

This year the girls' track team had a successful and enjoyable season. Led by captains Betsy Alper, Cheryl Martin, and Kerri Noelte, the team had a 6-3 record. Many personal records were set and also school records were set by K. Jecoy and L. Pereira in the hurdles and long jump respectively. The hurdle relay team of D. Martin, K. Jecoy, L. Olsen and N. McGillivray set a new Class C Record.

# BOYS' TENNIS

Although the 1980 boys' tennis team was not a tremendous success in terms of wins and losses, there were several significant achievements. It was Mr. Gaffney's feeling that the members of squad improved immensely. B. Pierce, K. Paradis, and D. Smith faced strong competition in the three singles positions, while B.Hanson and S. Ricci handled the first doubles. F. Lempitsky and J. Lavallee con-cluded the Falcon netmen in the 2nd doubles slot. With an abundance of underclass talent on its way, the future of the tennis program is extremely bright.

#### GIRLS' TENNIS

This year, the girls' tennis team was fortunate enough to have Nancy Diotte as their coach. Although their season was not a winning one, the girls exemplified true qualities of sportsmanship. Led by cocapts. Carol Pearson and Doreen Schreiner, the team had its best season ever. The team anxiously awaits the return of Sally Gumrot, who should lead them to a victorious season.

1. K. Rollins. 2. C. Pearson. 3. L. Shreiner.

#### **GOLF**

Despite a collective lack of experience, the 1980 golf team strived diligently to maintain D-R's past winning tradition. The team's overall record as the yearbook goes to press is 7-7-1, with two matches remaining. Captain Mark Weeks distinguished himself as one of the premier golfers in the division with consistently good play all season long. In addition, B. Campbell, C. Rousseau, J. Dutra, K. Gaudreau, J. Holbrook, J. Doyle, and K. Mullert contributed in a big way to the Falcons' season. J. Almeida and T. Johnson were also welcome additions to the team.

1. B. Campbell. 2. J. Almeida. 3. M. Weeks.

#### MATH TEAM

While the Math Team did not have one of its best seasons as far as scores were concerned, its members generally had a good time at the numerous meets and the end-of-season party. Despite its lack of seniors, the team managed to finish well in both leagues and attain play-off status in one division.

#### CHESS TEAM

Despite having no seniors, the chess team won the S.M.C. Chess Championship for the third straight year with a 9-2-0 record. Undefeated until the final regular season game, the club beat a surprising Falmouth team in the playoffs, two matches to one, to win the championship. With the same group of players returning next year, the chess team should have another successful season, and perhaps win their fourth successive championship.

## SPRING CONCERT

It was the perfect evening for a well planned performance. The musical program consisted of music for every taste. The variety ranged from patriotic and classical to traditional and pop/jazz numbers. Overall, this year's program was the most well received program here at D-R.

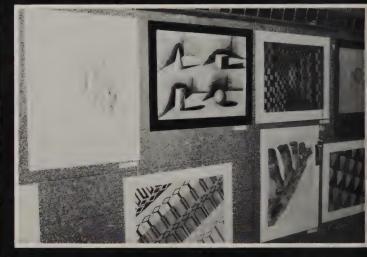

# SPRING EXHIBIT

On May 23, the art, clothing, and vocational students got together to present the highlights of a full year's work. Featured at the Spring Exhibit were a wide range of artwork from calligraphy to silk screen prints, the needlework and fashion show by clothing students, blueprints and models from the carpentry classes, and tools from machine shop. The diversity of the talents displayed in the Spring Exhibit made the show a great success.

Graduation

### JUNIOR PROM '79

The fifth of May, 1979, a date that hallmarked the first major activity undertaken by the class of 1980. After several months of planning decorations, signing a band, making arrangements for tables, et al., the Prom Committee collapsed exhaustedly into their chairs in the middle of the gym... or was it the gym?? After the fabulous decorating job, it was hard to tell. In short, the prom was a smashing success from the beginning of the foyer reception until the last note of the last song was played ... "The long and winding road ..."

#### SENIOR SUPPER

Graduation became a reality for many seniors on January 28, when the Class of 1980 held its Senior Supper. The event, which included a delicious roast beef dinner served by underclass waiters and waitresses, featured the presentation of the Superlatives and so-called "special awards," ("Marginal Mouth Club??") and more importantly, the announcement of the early graduates. With the Senior Supper and the assurance that finals were truly final, the members of the Class of 1980 looked forward to a springtime highlighted by Community Involvement, SSD, sunshine, and beach.

#### THE MOUSETRAP

Agatha Christie's whodunit, "The Mousetrap," featured at the D-R auditorium on May 2nd and 3rd, was the culmination of many months of effort on the part of the actors, costumers, set builders, and most importantly, the directors. Mr. Martin and Mr. Murray are to be commended for all their hours of hard work devoted to organizing the cast and crew and to building the beautiful, realistic set of mysterious Monkswell Manor. Congratulations are extended to the entire cast of suspicious characters: Robin Conley, Terri Monteiro, Lisa St. Jean, Norma Souza, Lisa Cardoza, Crystal Medeiros, Karen Lavallee, Cliff Alegria, John Evans, Chip Luthy, Scott Ricci, and Damien Spell-

#### **GRADUATION**

After a week of practices in the sunny courtyard, the Class of 1980 seemed prepared for an excellent outdoor graduation. However, as fate would have it, torrential rains fell all weekend and the ceremony was forced to be relocated in the gym.

Still, the event proceeded very well from the first strains of "Pomp and Circumstance" to the final bars of the recessional. The featured speakers, Cheryl Martin, Louise Marcoux, Joe McGuiness, Mr. Sawyer, Dr. Harrington, and Mr. Ballard, commented on the class motto, "The better part of every man's education is that which he gives himself."
